To whom it may concern,

As you may already know, I am very blessed to be a part of the Emmanuel College Women's Basketball program for the 2009-2010 season. We are looking forward to another great year at Emmanuel and are making every effort to improve not only our program but also ourselves as individuals. Great things are happening, and we would like for you to be a part of it!

In an effort to move our program forward, we are looking for Internet sponsors. It is my responsibility to find someone to sponsor me from my hometown or from the surrounding areas of Emmanuel College. If you would be willing to sponsor me for the 2009-2010 season at a cost of \$200, you will be making a great contribution to our program. In return, you will be able to advertise your business on the EC basketball website where my player profile will be located. Along with my player profile, a link will be provided to your website (if applicable) stating that you are my sponsor and have contributed to the improvement of our program.

Your contributions will help us out with a variety of things including equipment, gear, travel arrangements, etc. If you would like to become an Internet sponsor, we need these funds by September 21st in order to get our website updated in time for the season.

Thank you in advance for your consideration. I hope that you will choose to be a part of the progress that is taking place at Emmanuel College. We are making a difference!
