Part-time/ Adjunct Science Faculty

Emmanuel College, located in Franklin Springs, GA, is seeking an instructor, at any level, to teach the following courses starting August 2015. This is a part-time position.

- Physical Science
- Introductory Biology and lab (non-majors)
- General Chemistry laboratory

**Faculty Qualifications:** A degree appropriate for the courses being taught is required. A Ph.D. and a demonstrated ability to effectively teach undergraduate students preferred. See other application requirements below.

Emmanuel College is a Christ-centered, liberal arts institution which strives to prepare students to become Christ-like disciples who integrate faith, learning, and living for effective careers, scholarship, and service.

**Compensation:** Adjunct pay commensurate with qualifications of the successful candidate in accordance with approved pay scale.

Applicants should submit the following materials (preferably electronically):

- Letter of application
- Curriculum vitae
- Graduate transcripts (unofficial acceptable)
- Pastoral Letter of Recommendation from current pastor verifying church membership and participation in local congregation as well as evaluation of applicant's personal commitment to Christ.
- Personal Testimony: a description of the applicant's relationship with Christ.

No applications will be considered until all required documents are received.

Application materials should be forwarded to Joann Harper, Director of Human Resources, at jharper@ec.edu.
